Hi Dana,

Thank you for letting me know. I don't anticipate anything urgent coming up before next Wednesday, but if it does we will send a note to you and Gary. I will notify the rest of our internal team. Thank you and have a good weekend!

Hi Ron,

Lynda accepted an early retirement from EPA. Yesterday was her last day. This came about very quickly so I have not identified a replacement RPM yet. Please direct correspondence to me and Gary Riley for the next couple weeks. I'm out of the office until next Wednesday but will be checking email.

Thank you,
Dana
